Brother Cyril William Sullivan, F.S.C.

Dedication

To Brother Cyril William Sullivan, F.S.C.

Brother Cyril William Sullivan as Principal of the complex organization of all that makes up Christian Brothers Academy, discharges his duties with thoroughness and efficiency.

His duties and responsibilities are clearly marked by him with a brotherly character to which his personal gifts of a keen mind and a kind heart are added.

In the midst of a routine which can be alternately monotonous or absorbing he has never lost sight of the individual . . . and it is precisely this quality that endears him to us.

Brother William acts at all levels to strengthen the person-to-person relationship in Christian Brothers Academy. With numbers such as ours this is quite a feat. By being with him, listening to him, and most of all, influenced by his quiet example we learn to appreciate ourselves as well as others.

Every senior can relate incidents when Brother William through his personal sacrifice in our behalf, has made the burden a little lighter and the road a little smoother for us.

It is in recognition of his qualities as Principal, that we, the graduates of the Class of 1968, are honored to dedicate this volume of the CADET to Brother William Sullivan, F.S.C.

Rifle Team First in Nation

National High School Rifle Team Champions

KNEELING: L. to R.: Peter Jukubiak, manager; Leo Dacey, Bryan McCarthy, William Kelleher, Leonard Forner, Charles Leggieri. STANDING: Luc Lessard, Paul Chesley, co-captain; Charles Rappazzo, Colonel William J. Smith, coach; James Thorpe, co-captain; James Brunet, Robert Zgrzepski.

From the first day of practice in September, Colonel William J. Smith, our coach, predicted that this year's rifle team would be one of the top teams in the Nation.

The varsity rifle team placed first in the National ROTC Indoor Smallbore matches held between April 1–15. This performance against other high school units in the Nation climaxes the most successful rifle season in C.B.A. history.

Finishing the season with an overall record of 27–2 in competition against other high school and club teams around the state, the C.B.A. team also won the National Rifle Association Junior Sectionals in Schenectady on March 23 and 24.

In April, the C.B.A. shooters not only finished third in the First United States Army Area Interscholastic Indoor Smallbore Championships, which earned them an invitation to the national competition, but also recorded a remarkable score to finish second in the 12th annual National Association of Military Schools match. In that match, C.B.A.'s top shooter, Luc Lessard, a junior, also finished second in the Nation and received a special award.

Other members of the team included Leo Dacey, Leonard Forner, Bryan McCarthy, William Kelleher, Renato Semenza, James Thorpe, Terence Moloney, Paul Chesley and Charles Leggieri. The first place team score was 677; C.B.A.'s team scored 647. The top individual score was 143; Luc Lessard fired a 139.

It should be noted that many new school records were established this year. The following scores are listed for future competition.

On A–36 International Targets

Five Men Team	1271	possible 1500
Ten Men Team	2412	possible 3000
High Individual (Luc Lessard)	275	possible 300

On A–17 National Rifle Association Targets

Five Men Team	1391	possible 1500
High Individual (Luc Lessard)	291	possible 300

With four of the five shooters returning to school this year, it is anticipated that they will again bring credit and distinction to Christian Brothers Academy on the National, state and local levels of competition on the rifle range.

National Rifle Team Second Place Winners

KNEELING: Leo Dacey and William Kelleher. STANDING: Luc Lessard, Paul Chesley, Colonel William J. Smith, coach; James Thorpe, Bryan Kelleher.

Forensics—Members Won Top Honors

Varsity Debate Team
SEATED: John Bolles and Robert Conway. STANDING: Ronald Barndollar and Philip Ellis.

"Reason and free inquiry are the only effective agents against error." Thomas Jefferson

Forensics at Christian Brothers Academy comprises debating, extemporaneous speech, dramatic interpretation and original oratory. Brother Terence Gallagher, chairman of the speech department during the past three years, has instilled the philosophy of Thomas Carlyle to the members of the Forensic Society, who wrote: "Speak not at all, in any wise, till you have somewhat to speak; care not for the reward of your speaking, but simply with an undivided mind, for the truth of your speaking."

Brother Thomas O'Dea was the coach of the varsity and junior varsity debate teams and Brother Terence the coach of the freshman debate teams.

The proposition for the national debate topic of 1967–8 was, Resolved: "That the United States Congress Should Establish Uniform Regulations To Control Criminal Investigation Procedures." Senior Ronald Barndollar and junior John Bolles represented the affirmative team; senior Philip Ellis and junior Robert Conway the negative team.

In the New York State High School Forensic League Regional Tournament at Albany High School, Ronald Barndollar won the first place trophy for original oratory and Stephen Lyon, a freshman, won the first place trophy in the boys' division, for his dramatic interpretation of John Tetzel's speech from the television play, "Luther." The novice debate team won the third place trophy.

In the Johnstown High School debate tournament the varsity teams won the first place trophy. The junior varsity teams represented by the affirmative side, Carmen Barletta and Frank Comes; the negative side, James Ray and Mark Bolduc, won the first place trophy at the Keveny High School debate tournament at Cohoes.

The debate teams also participated in tournaments sponsored by Marist College, Poughkeepsie; Bishop McQuade High School, Rochester; Monticello High School. The Brother Michael John, F.S.C. individual award for the highest points scored in varsity debate was won by Robert Conway.

C.B.A.'s annual public speaking contest for seniors and juniors was held in the school auditorium. The speakers communicated their ideas in logical and skillful language with their classmates. Ronald Barndollar won the senior medal for his diatirbe, "The Cult of Escapism," a sharp criticism of adults and teenagers who flee from reality. Robert Conway won the junior medal for his discussion of the Aristotelian question of "What is an Educated Man?" Senior Philip Ellis challenged the values of critics of the Vietnam war in incisive tones in "The Cult of Defeatism." Frank Comes, a junior, delivered a humorous and critical analysis of the state of mind that exists in "Suburbia." Junior Carmen Barletta commented on the complexities of the "1968 Presidential Race." Junior John Bolles spoke on "Resurrection City—What Does It Mean?"

Junior Varsity Debate Team

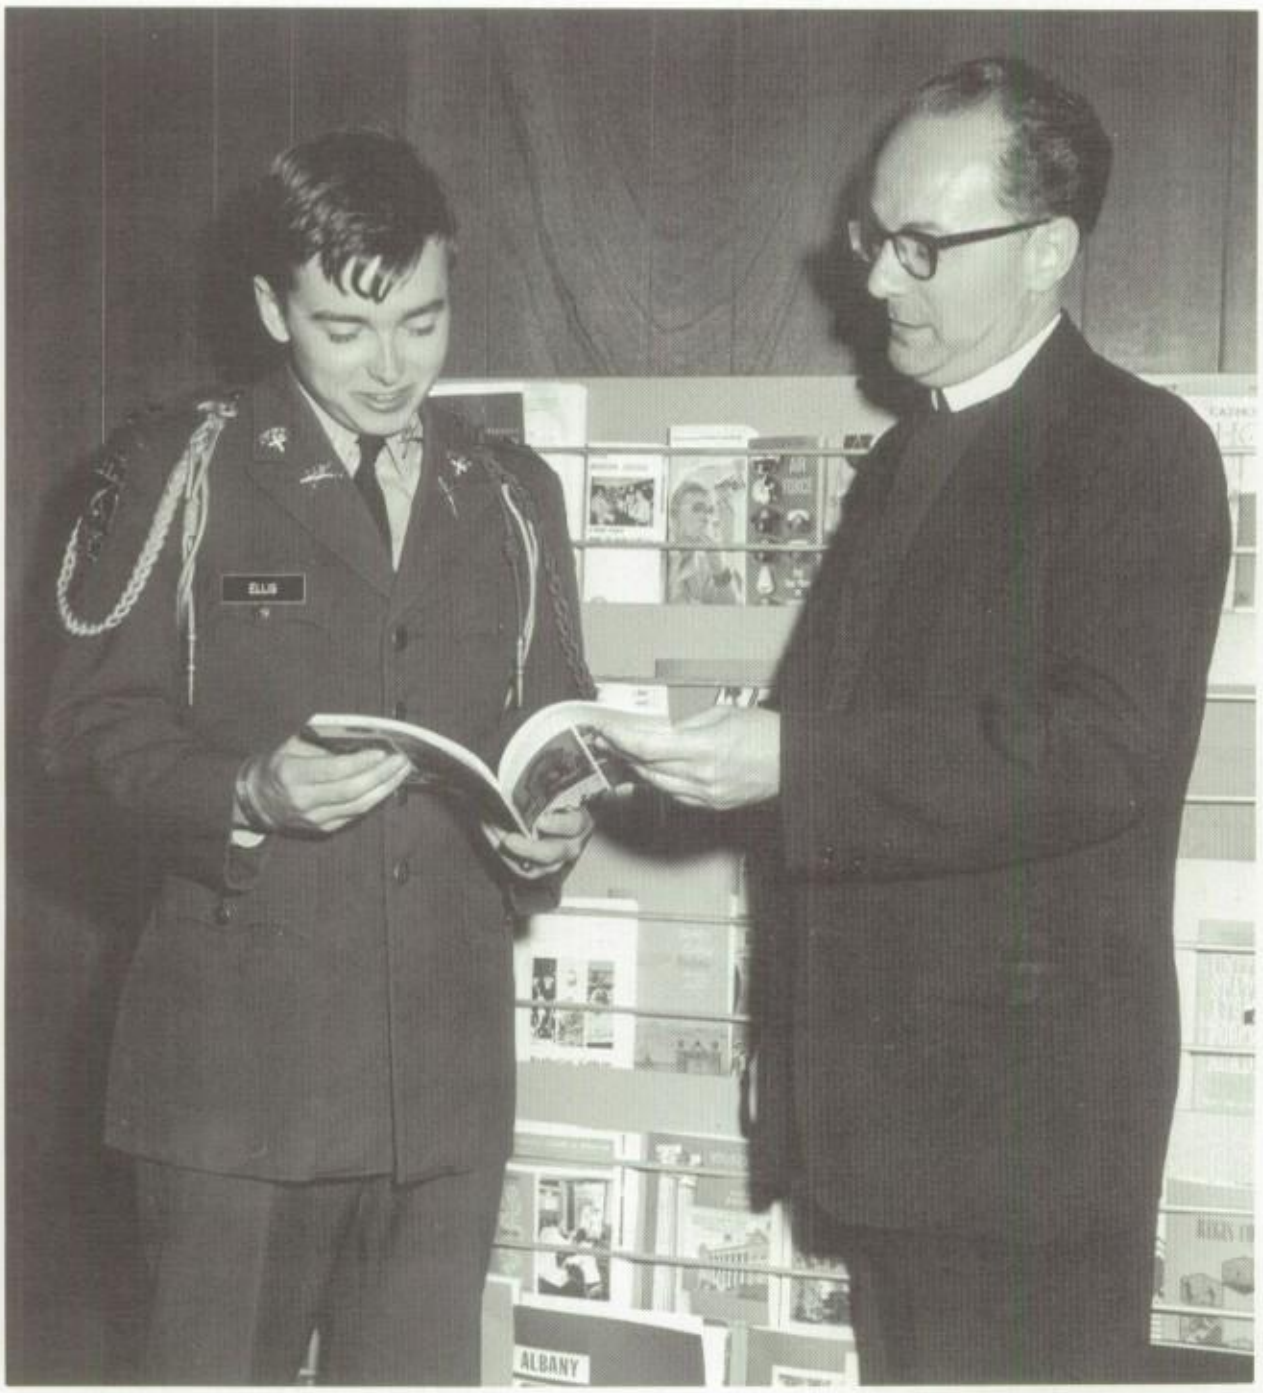
Guidance



Brother B. John discusses the various college courses.

Brother B. John Mason, Director of Guidance, provides a wide variety of information dealing with all aspects, requirements, and expenses of college life, including published material about many colleges. He is assisted by Brother Terence Gallagher, Guidance Counselor of Freshmen and teacher of English of the Freshman classes, who interviews each freshman during the course of the school year.

Throughout the year the Director of Guidance has a conference with every cadet of the sophomore, junior and senior years, to explore all phases of the academic life and personality of each cadet. Through a thorough study of the complete record of each cadet — aptitude, achievement, and reading tests; Academy grades in each subject; his achievements in activities, athletics, and the military program; his mark as a person on the life of the Academy; social adjustment to and relations with his fellow cadets and with the faculty; his ability in leadership and cooperation — through all these factors, the evaluation and resulting guidance, enables the cadet to plan his program in accordance with his capacity and interests, to develop the course content his whole program should have, and eventually, to select the type of college, school or university to which application should be submitted.

A College Night program is held annually in May for the students in which representatives of over 25 colleges present talks and have interviews with the students.

Football

Early in the second period C. B. A. quarterback dropped back and hit Doug Lechleiter with a beautiful 53 yard pass for the Brothers' first score. "Chic" converted and the Brothers led 7–6. McCloskey scored again on a long 71 yard play and once more on a play set up by two consecutive C. B. A. penalties. It looked like C .B. A. inexperience might finally be taking its toll. The Brothers could not mount another drive and the score remained 18 to 7 McCloskey.

After two straight losses a team often finds it difficult to get up for the next game, but C. B. A.'s next game was with La Salle and the prize was "The Sabre." The Brothers showed they meant business on the very first play of the game as Germain hit Clements for a 34 yard pass. Good line play by junior Mike Podgorski and some fine secondary work by first year man Bob Tatko stopped the Cadets cold in the first half. The second half was more of the same, however, save for a La Salle drive that enabled them to score on a quick pass over the line for their only score of the afternoon. The Brothers tallied twice more, however, to get back on the winning road with a score of 21 to 7.

The big words in the next contest with league contenders Catholic Central were mistakes and comeback. The mistakes came in the form of four C. B. A. fumbles, two pass defense mistakes and a hurried quick kick. The first half was all CCHS, and in the locker room at

Keith Christiansen assists Kevin Clemente to bring down a VI runner.

halftime the Brothers trailed by 23 points. C. B. A.'s only score in the first half came from a reception by Ciccolella in the end zone. An outstanding second half saw Ed Germain compile 98 yards and Kevin Clemente 71 yards, C. B. A. scored in six plays with Andre Labier going over for the T. D. The papers termed it "a valiant comeback" but the Brothers fell short and the scoring ended with CCHS on top 42–27.

C. B. A.'s record was now 3–3 and in order to equal the record of last year's varsity they had to win the next two games. With the league season over, the Brothers looked to Schuyler, the team that had edged them 14–13 the year before. Quarterback Ed Germain went to the air and showed why he was All-Albany Quarterback. Ed hit for 13 out of 17 passes for a phenomenal 213 yards. Doug Lechleiter and Herb Moreland were his prime targets, each gathering three passes for 60 and 56 yards respectively. While they were busy in the aerial department, Tom Ciccolella was doing his share of "ground work." Chic scored once from the three and returned a second half kick-off 65 yards for his second score. He also booted 5 out of 6 placements. Not a bad day's work. Herb Moreland also ground out many first downs for the Brothers. From sub Bill Maxwell's grabbing two passes for 74 yards to Mike Podgorski coming from his tackle spot to flip a 34 yard pass to Bill Maxwell, it was all C. B. A. Final score C. B. A. 47 Schuyler 7.

One more game left. Not just any game, though, this game was against Albany Academy—the "Down the Roaders" This would finally answer the question who was the better of two relatively small schools.

The Academy stands were packed and the crowd saw Academy react by dominating the first quarter offense. The scoring was mostly one-sided though, in fact all by C. B. A. Ed Germain tossed 16 yards to Herb Moreland for one T D and Ciccolella scored another. Then Germain sprinted in for the final score of the season. In all Ed averaged 10.8 yards a carry. Kevin Clemente averaged 7.9 and Tom Ciccolella 7.2. The final score—C. B. A. 20 Academy 0. The big question was answered. The '67 football season would have been called successful. The Brothers accomplished their 5–3 record.

Varsity Baseball

Varsity Baseball Team

FRONT ROW, L. to R.: George Girtler, assistant manager; Philip Gara, Paul Forget, James Romano, Michael Romanzo, Colonel William Smith, coach; Edward Lange, Robert Tatko, Matthew Dwyer, Andrew Kacukenus, assistant manager.
SECOND ROW: William Allen, Robert Zgrzepski, manager; Charles Leggieri, Edward Jones, Michael Podgorski, John Piechnik, James Severino, Joseph Trapasso, James Brunet, manager.

With co-captains John Piechnik and James Severino, the varsity baseball team ended the season with four wins and eight losses.

The won and loss colunms does not indicate the fine brand of baseball played by the team. Six of the eight losses were the result of runs scored by our opponents in the first inning.

Pitching was our strong point; both Edward Lange and Philip Gara were responsible for the four wins. Lange lost a game against Gibbons High by the score of 1–0, with the run from a passed ball in the first inning. He also struck out 18 batters in our first game with Vincentian High. Gara pitched a masterful five hitter against Vincentian 1–0. The other wins were against Cardinal McCloskey and Philip Schuyler.

Hitting was our main weakness as only one of our players batted over 300. Edward Lange, Joseph Trapasso and Michael Romanzo led the way in this department.

With six juniors and three sophomores returning next year, hopefully we anticipate a stronger team in all departments.

Golf Team

Paced by Captain Charles Nardiello who led the team in the individual points total, the golfers scored the record of 8 wins, 5 losses.

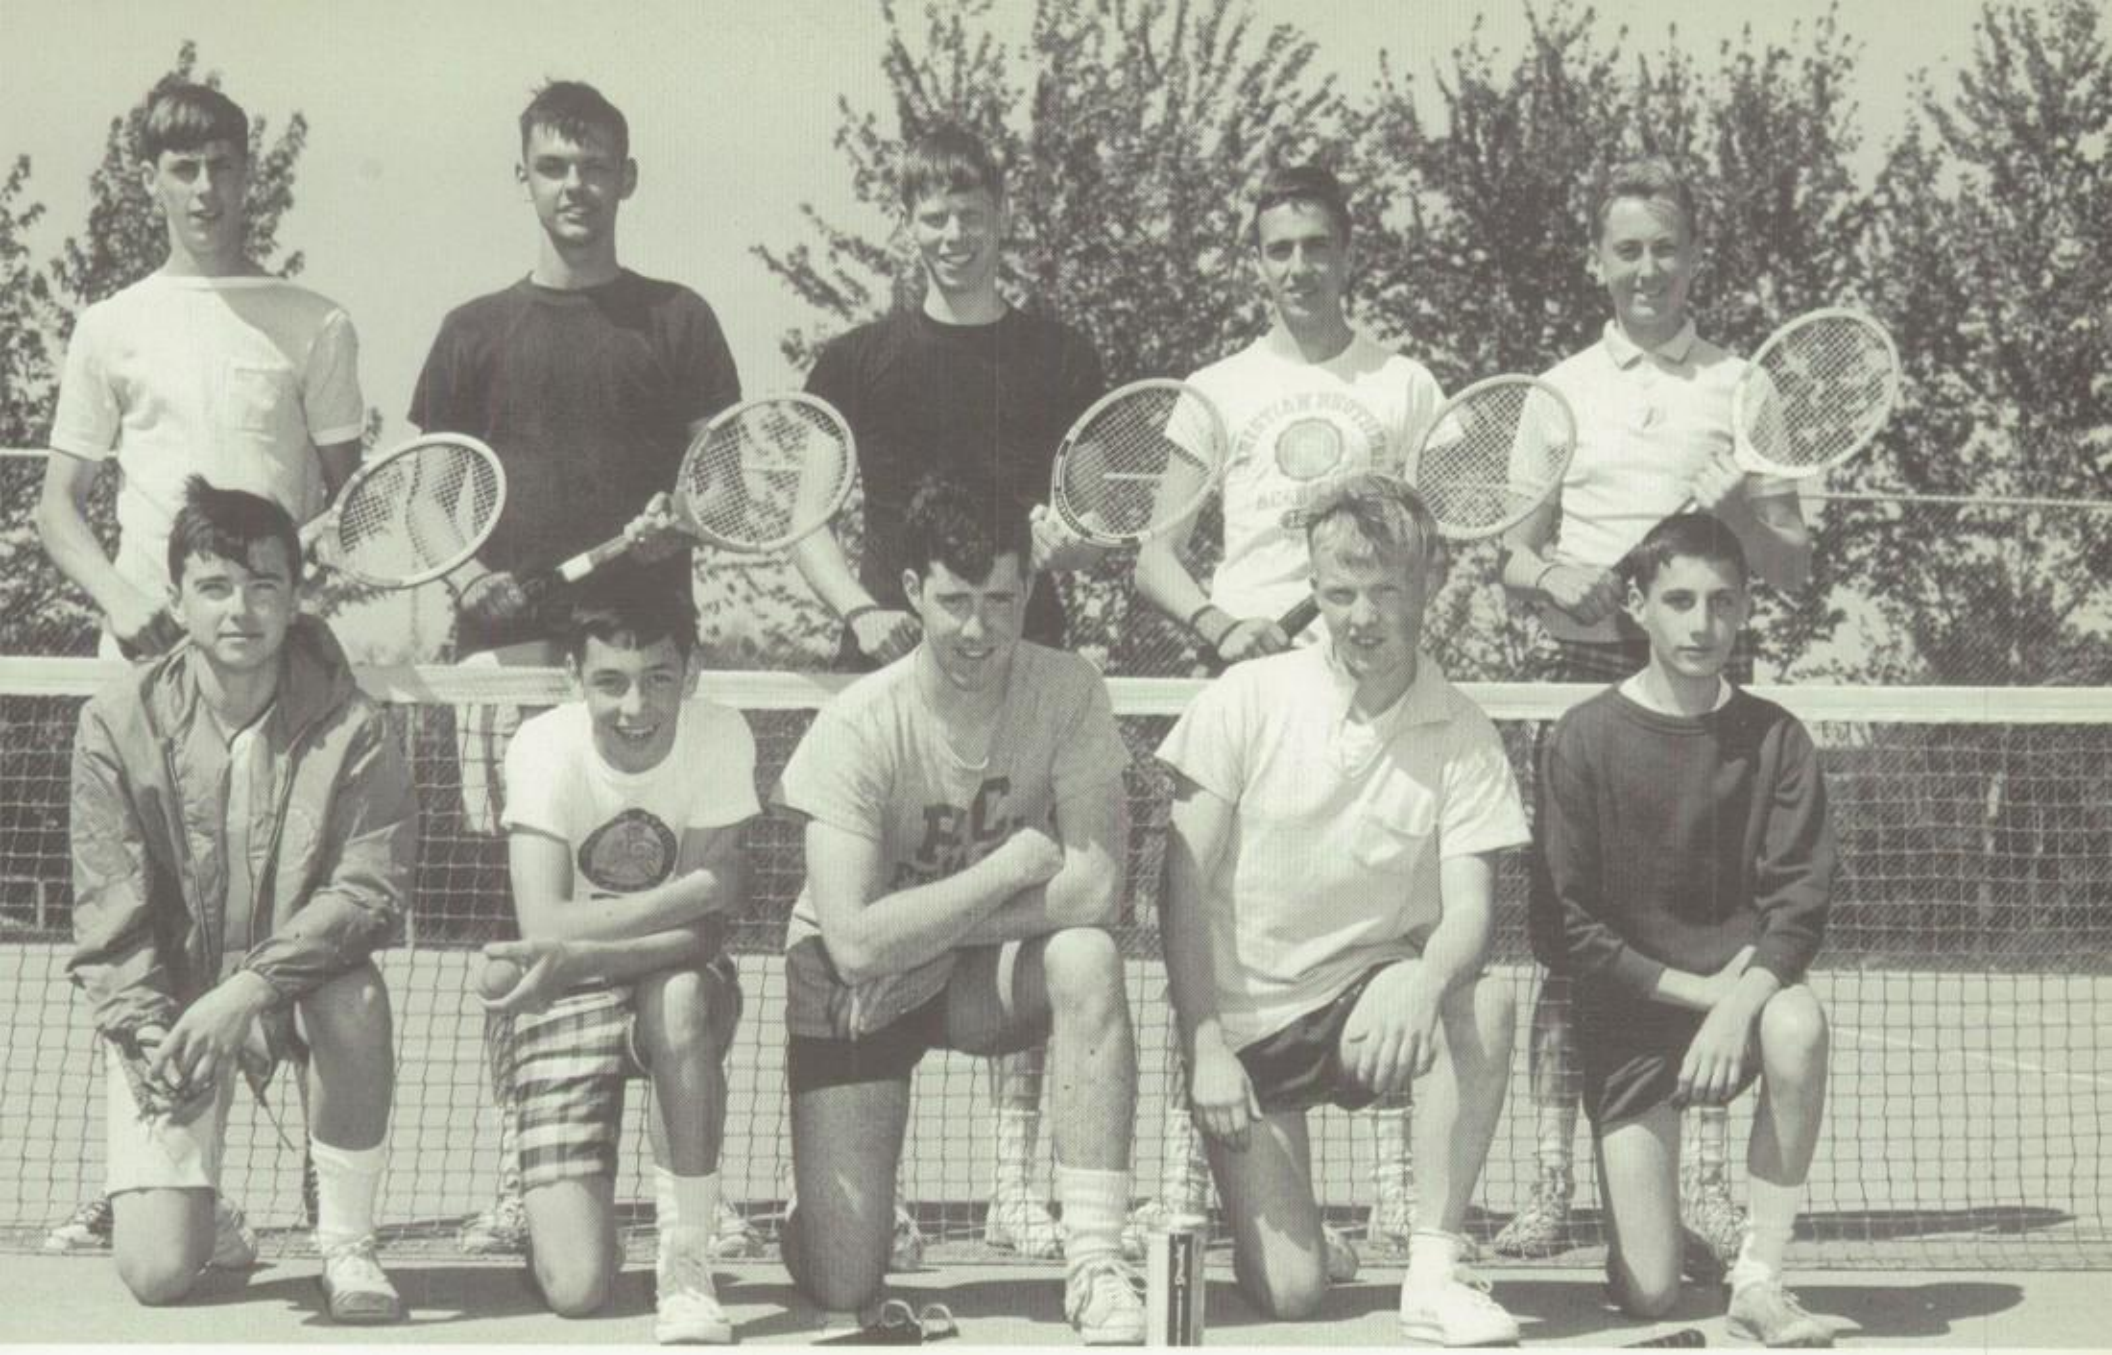
The Albany Municipal Golf Course was used for practice and home games. The impressive record for nine holes at 29 strokes was tied at this course by junior David Skony.

Medalist for the team was a tie between Charles Nardiello and David Skony who both averaged 38.7 strokes for nine holes.

Juniors Bert Ruprecht, David Marcy and sophomore Michael Mooney rounded out the starting five players. With the added experience and ability, the golfers expect to better the record of this year.

Golf Team

FRONT ROW, L. to R.: Michael Mooney, Bert Ruprecht, David Marcy, Charles Nardiello, David Skoney, Thomas Huba. SECOND ROW: Brother Michael, coach, John Garrett, Jude Canetta, James Fisher, Vincent Manti, Darryl Serian, Dennis Di Muria, Eugene Laska.



Varsity Tennis Team

FRONT ROW, L. to R.: Philip Ellis, William Carl, Peter Harkin, Philip Morehouse, James Mac-zek. SECOND ROW: Leonard Forner, John Mashuta, Gary O'Connor, Ronald Barndollar, Michael Kinley.

Tennis Team

Although not in the winning columns, the team surprised their opponents by the individual scores of the members.

The first singles spot was filled by Gary O'Connor, captain, who recorded the best win-loss score of the team. He was the only player in the Diocesean Tennis League to win matches over Gibbon's High player Patrick Mason.

Second singles was exchanged for second doubles in regular fashion as Philip Ellis and Peter Harkin vied for positions.

The first doubles was assigned to senior William Carl and junior Leonard Forner as Ronald Barndollar rounded out the second doubles.

Dean Chance gives an informal talk on physical fitness.

Sports Smoker

Athletes from all varsity sports were honored at the Sports Smoker sponsored by the Fathers' Association.

The principal guest speaker was Dean Chance, pitcher for the Minnesota Twins. The purpose of this activity was to honor the members of the Class of '68 who participated in the athletic program. Brother Jerome, moderator of the senior class, paid tribute to the graduates of 1968.

Youth

Youth is not a time of life; it is a state of mind. It is not a matter if ripe cheeks, red lips, and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions. It is the freshness of the deep springs of life.

Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over the love of ease. This often exists in a man of fifty more than in a boy of twenty.

Nobody grows old by merely living a number of years. People grow old by deserting their ideals.

Years wrinkle the skin; but to give up enthusiasm wrinkles the soul.

Worry, doubt, self-distrust, fear and despair—these are the long, long years that bow the heart and turn the greening spirit back to dust.

Whether sixty or sixteen, there is in every human being's heart the lure of wonder, the sweet amazement of the stars and the star-like things and thoughts, the undaunted challenge of events, the unfailing childlike appetite for what is next, and the joy of the game of living. You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair.

In the central place of your heart there is an evergreen tree; its name is love. So long as it flourishes you are young. When it dies you are old.

In the central place of your heart there is a wireless station. So long as it receives messages of beauty hope, cheer, grandeur, courage, and power from the earth, from men and the infinite so long are you young. When the wires are down and all the central places of your heart are covered with the snows of cynicism and the ice of pessimism, then you are grown old, even at twenty, and may God have mercy on your soul!

Radio Club

KNEELING, L. to R.: Paul Mercier, Nicholas Farinacci, A. Joffre Mercier. STANDING: Brother Michael, moderator; Kevin Lyons, Gary Sottosanti, Robert Mercier, William Stempsey.

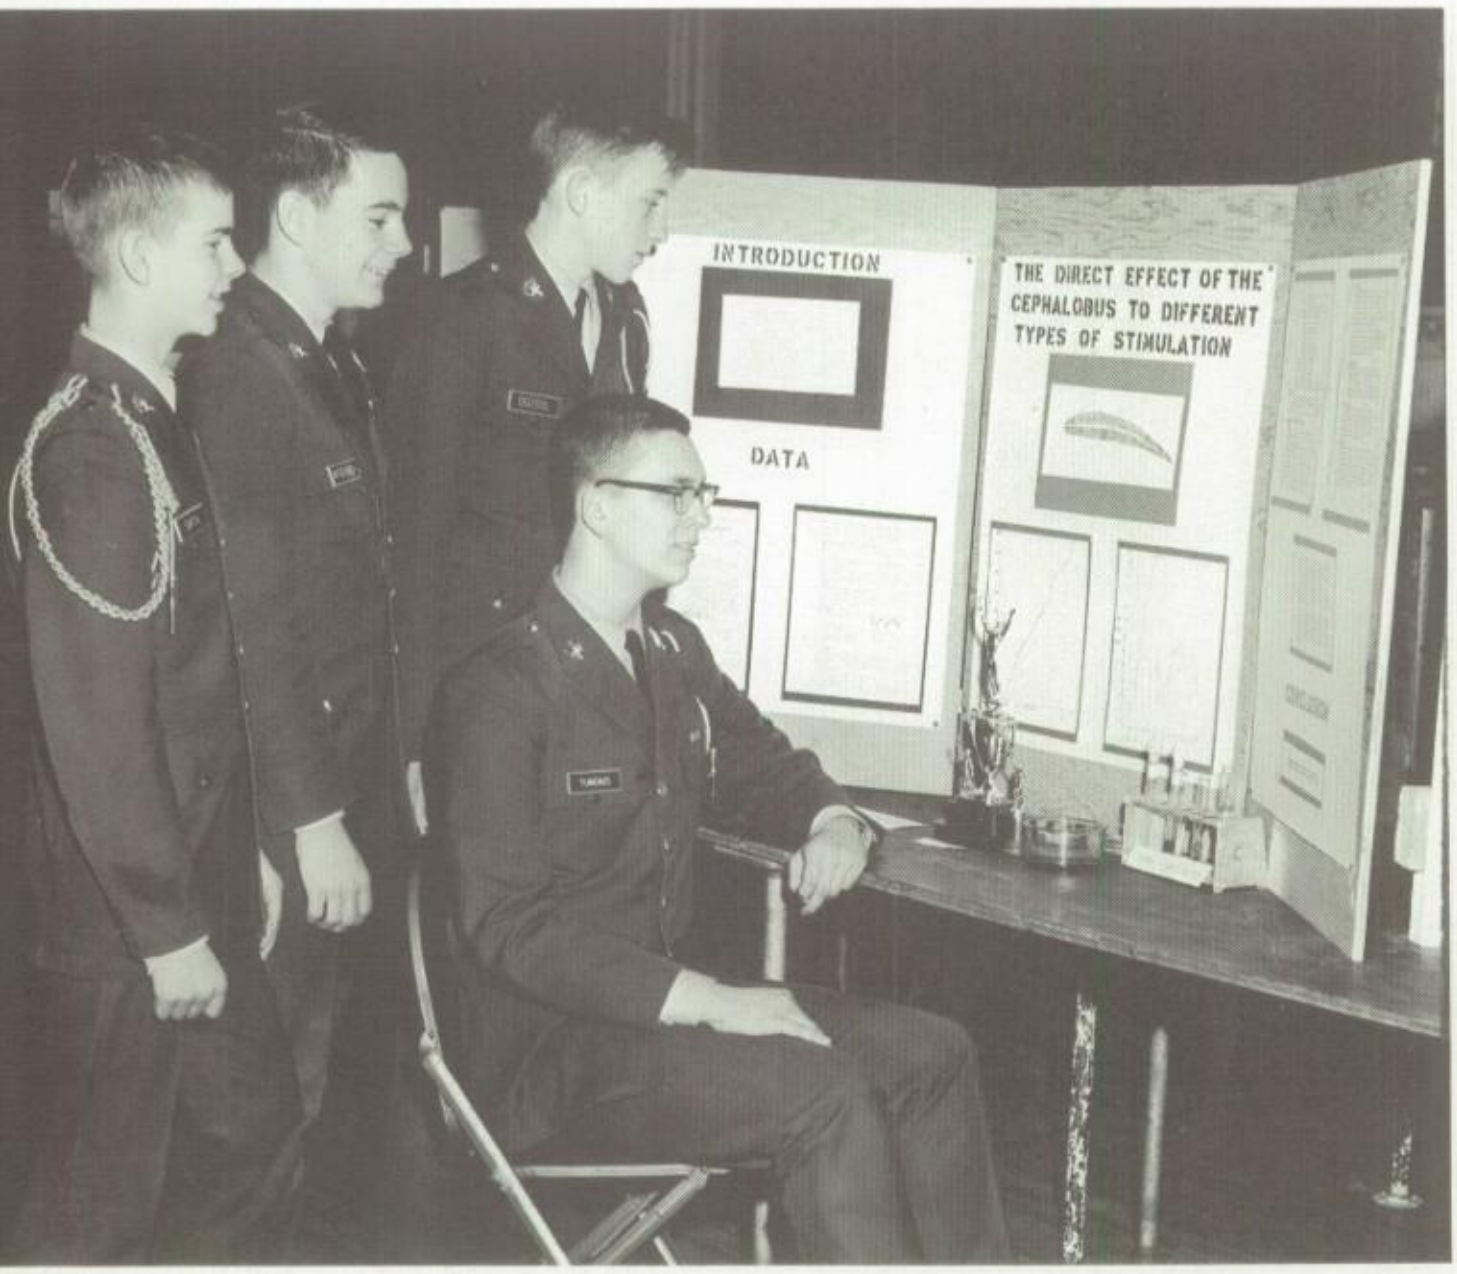
Science Fair



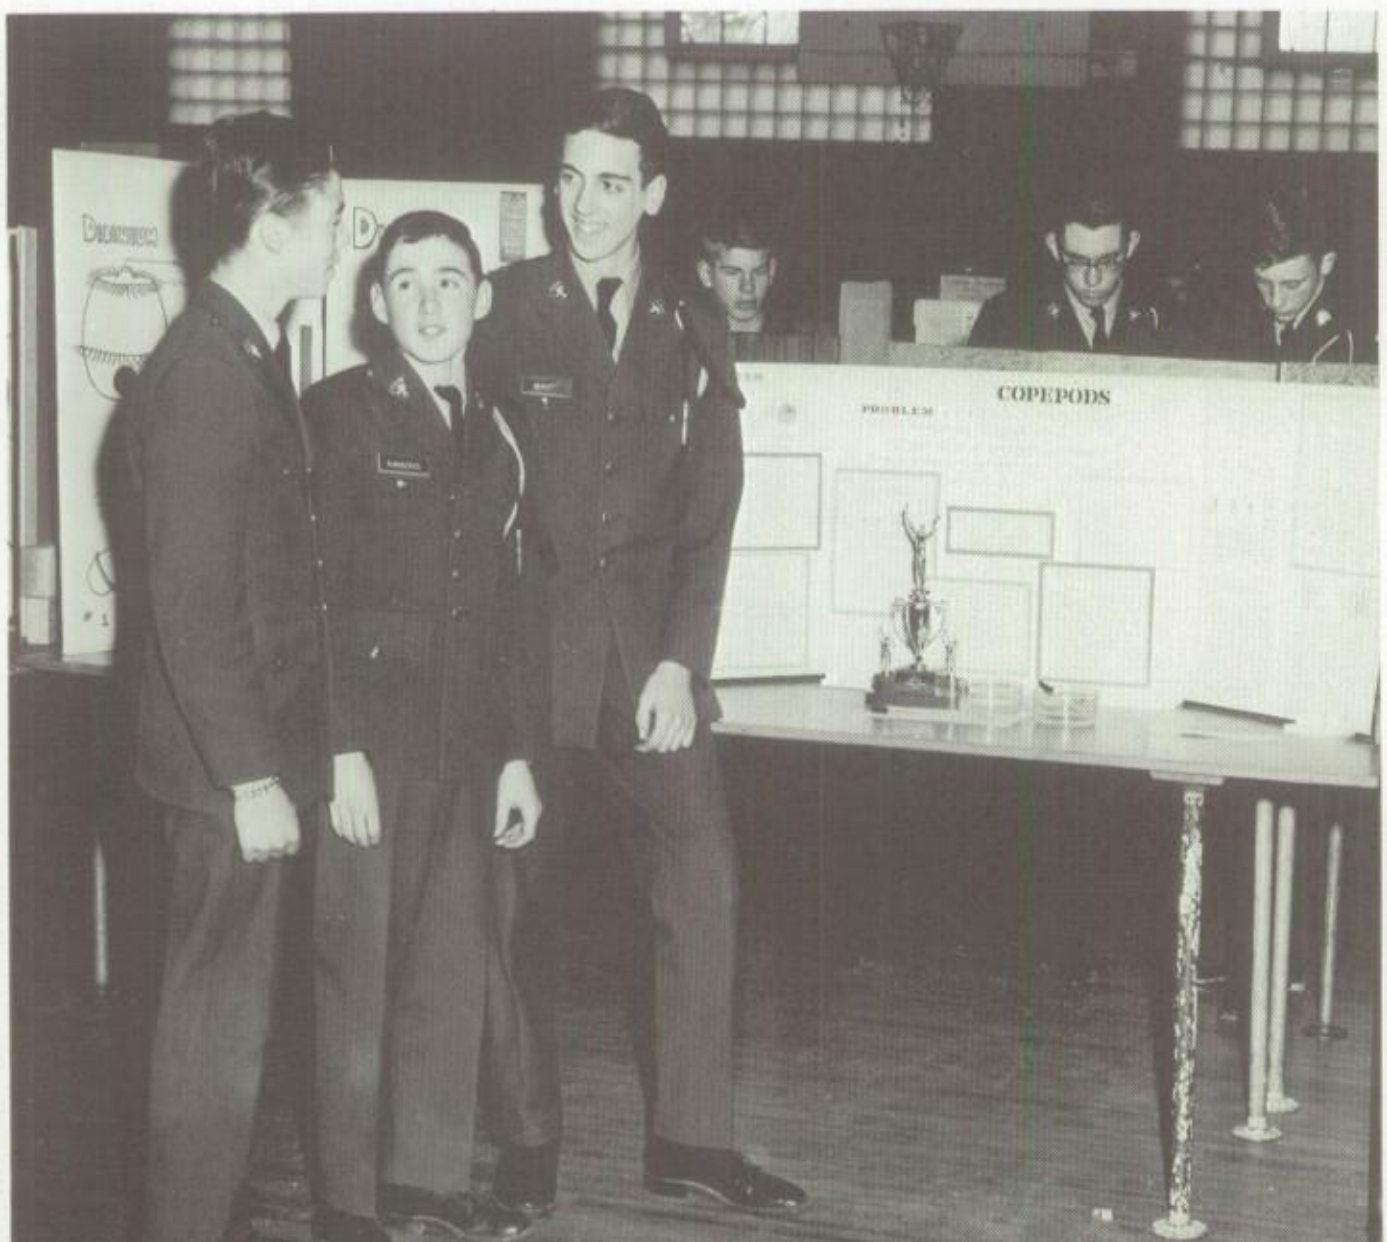
Sophomore Donald Tumonis's project is examined by his classmates.

The arduously prepared for annual Science Fair climaxed months of research by scientifically minded students.

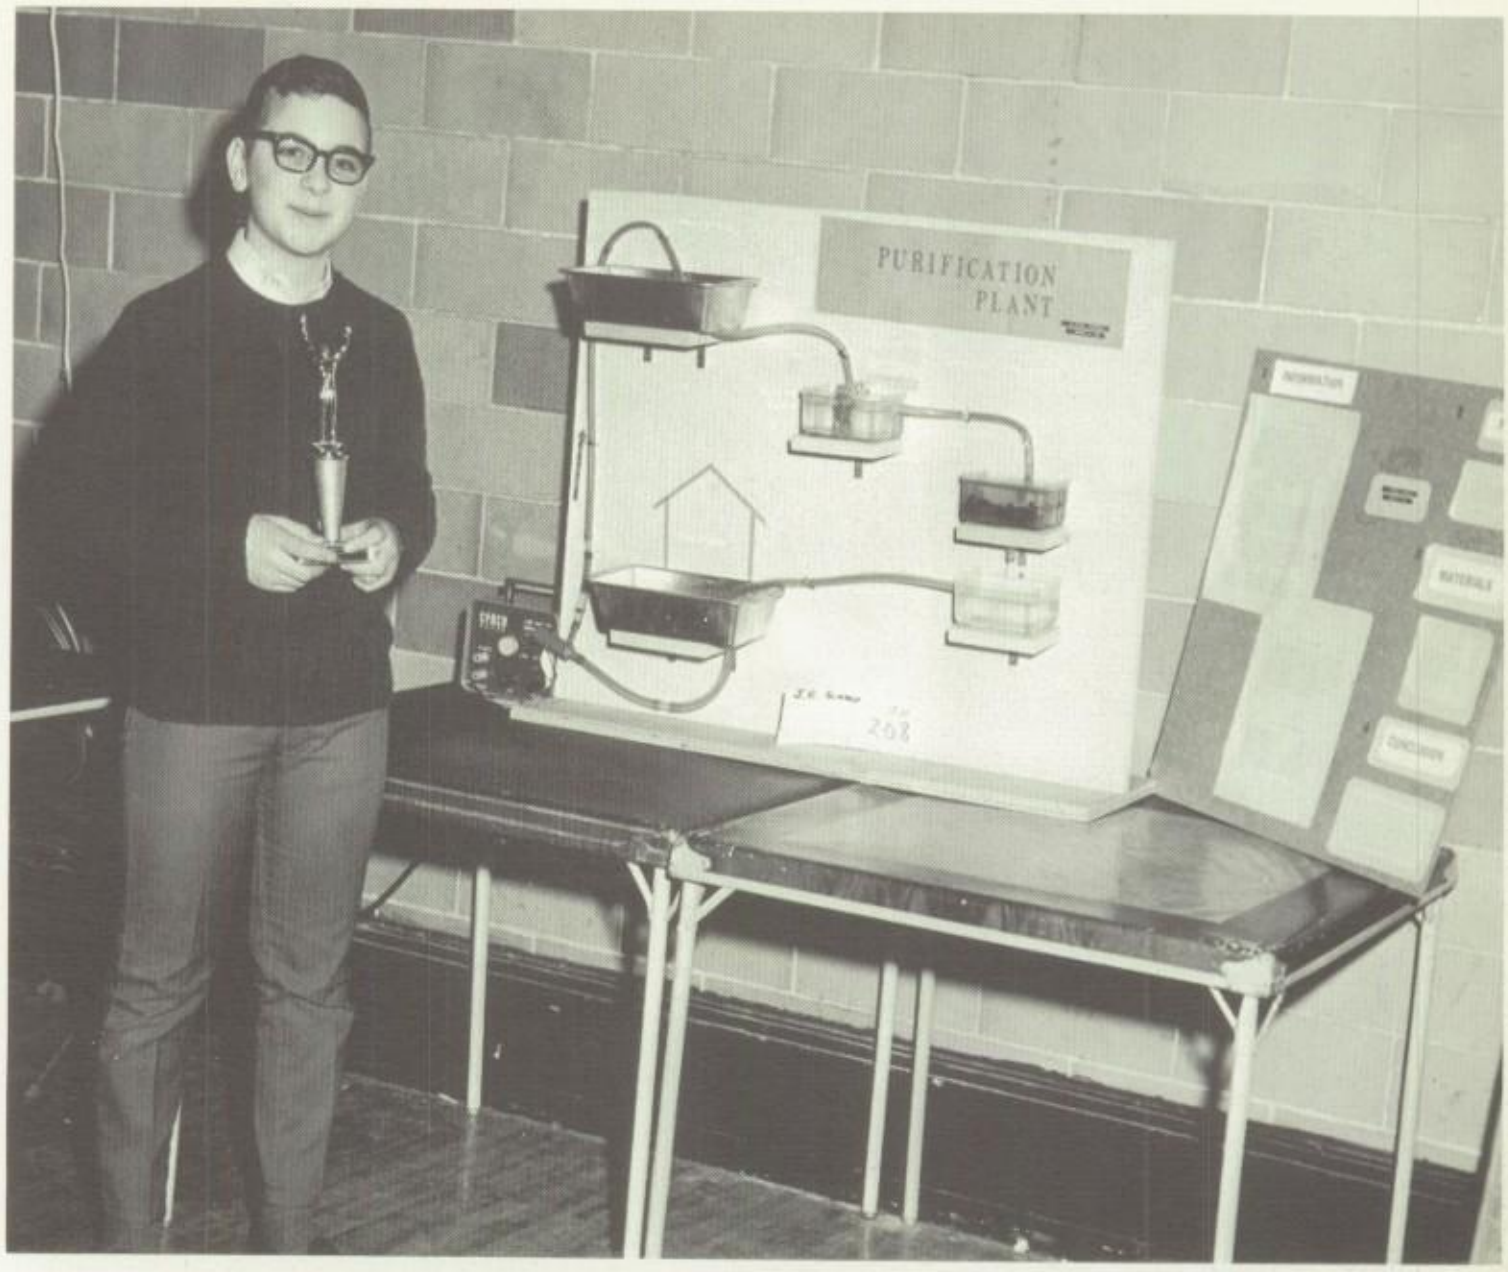
Parents of exhibitors came to see the many projects entered, which displayed a large variance in outside-of-school interests.

The Fair was carried out on a competitive basis; trophies and ribbons were awarded to the participants who produced projects of good quality. Science teachers from area high schools were invited to judge the students' projects. The criteria used by the judges were research, neatness, and comprehensiveness of the subject.

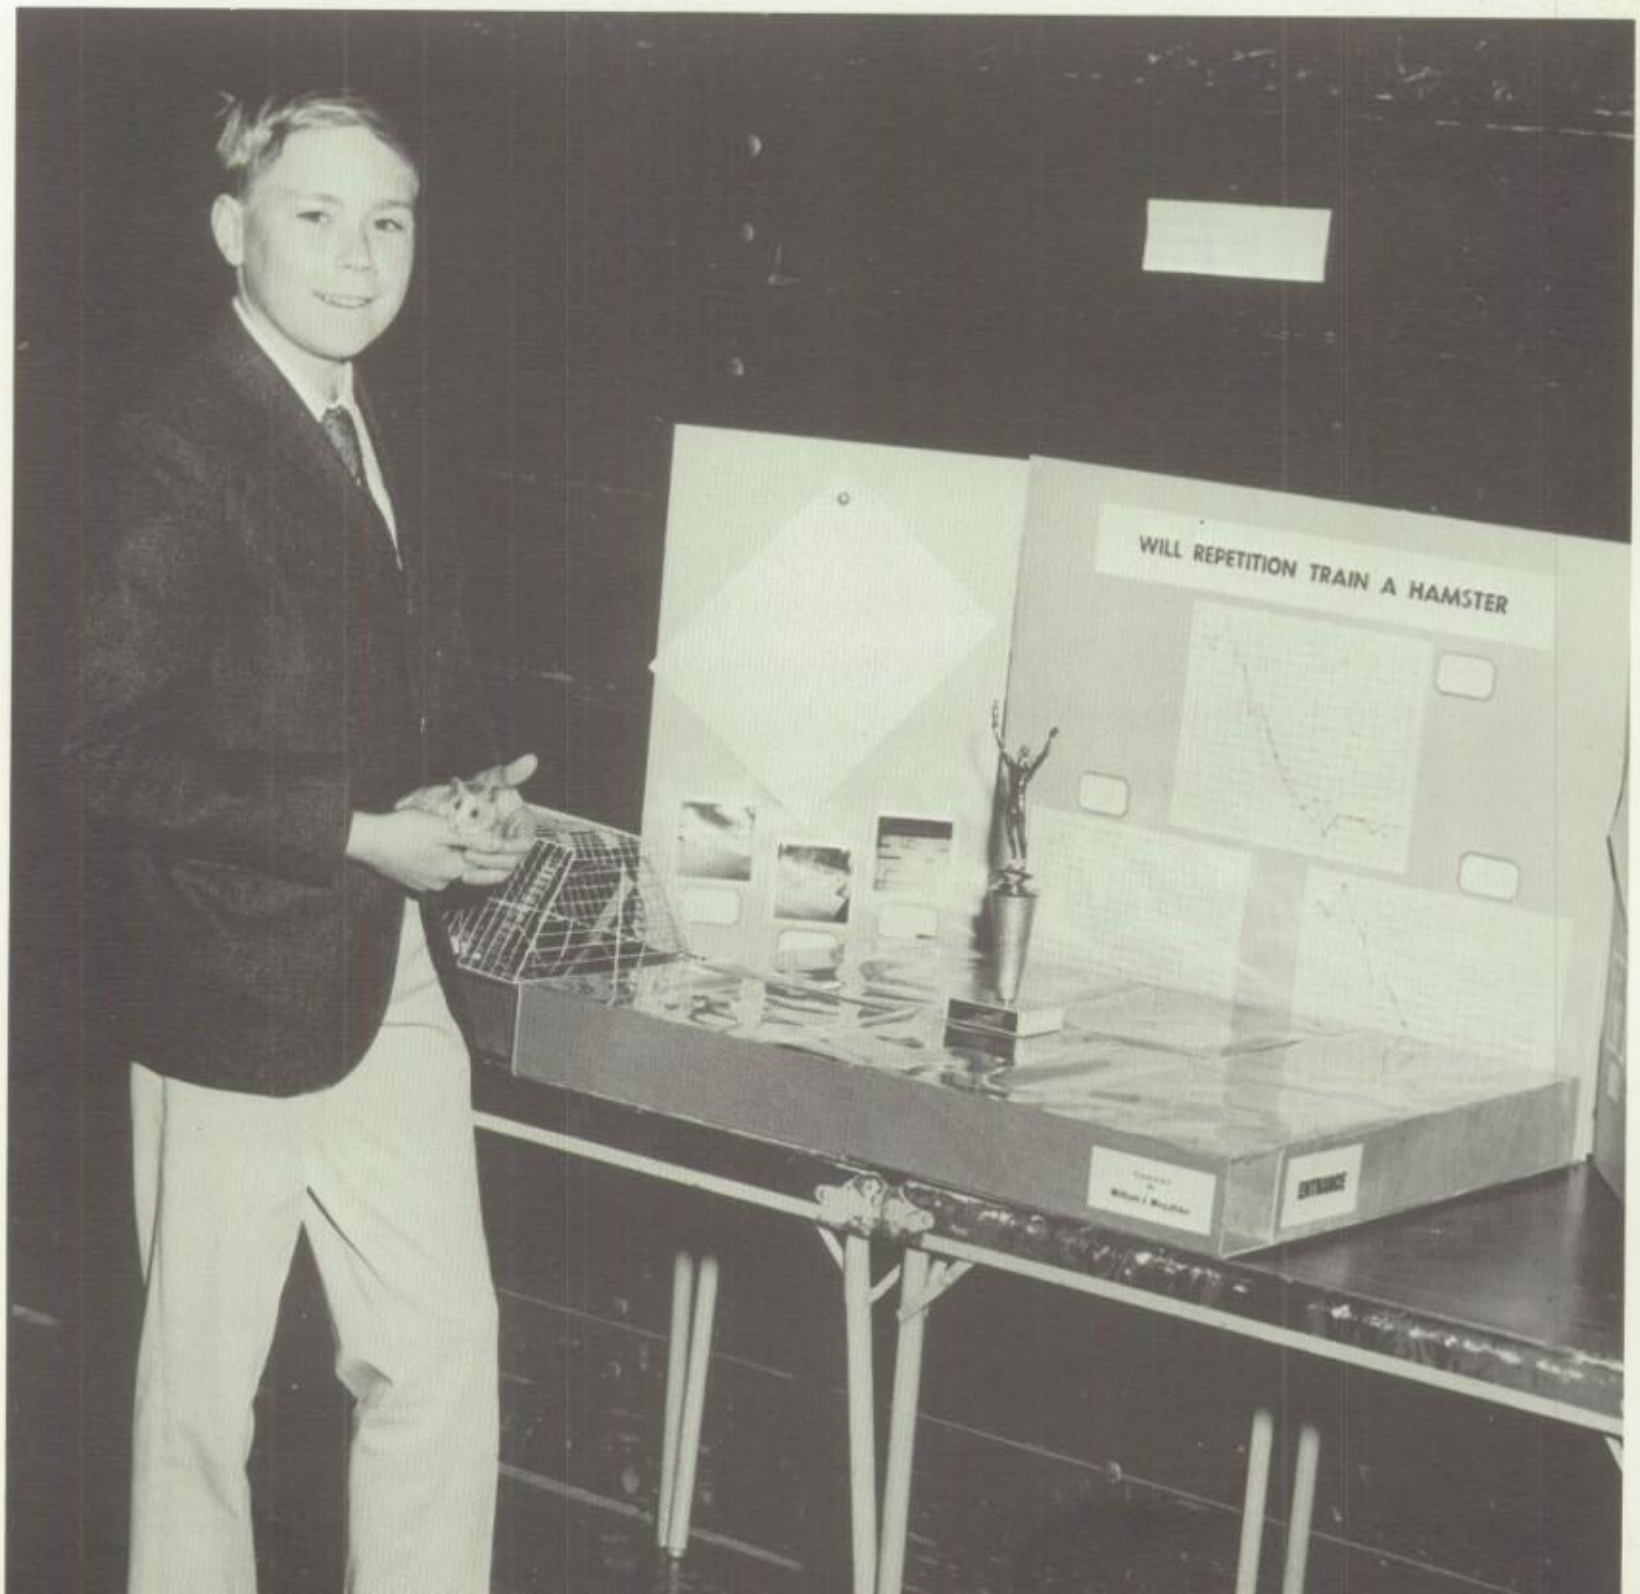
Brother Michael, biology teacher, was the moderator at the Fair.



Sophomore Robert Baker explains his project to classmates.



Michael Semenza, eighth grade, won the trophy for his project on the purification plant.



lliam Wogatske, eighth grade, n the trophy for his project on hamster.

Cadet Yearbook Editors

Philip Ellis, Editor, Ronald Barndollar, Editor-in-Chief, and Robert Conway, Editor.

The editors of the 1968 CADET have recorded the events and activities of the school year. In the process of producing this yearbook many hours were generously sacrificed by the staff in the design of layouts, write-ups on the activities and captions for the pictures.

We have attempted to present a yearbook that we can be proud of as seniors and cadets. Our hope is that you appreciate it now and in the years to come.
